By being chosen 1980 Del-Hi Editor, I had many commitments to uphold. Trying to come up with ideas that everyone would like is not an easy job. There is not only the responsibility of meeting deadlines and selling ads and subscriptions, but there is also the actual organization of the book. Without the dedication and hard work of the staff members, we would have never gotten everything finished. I would like to thank the entire staff for their hard work and Miss Faler for her time and cooperation.

The 80's will bring many new experiences for everyone — college, careers, and new friends. The Seniors will start their new lives as adults, while the underclassmen will have many wonderful adventures yet to come in their high school years.

Along with these, the new decade will bring rememberances of past years — smiling faces of fellow students, mind boggling memories of all that homework, and the happy moments of being with friends. With this new beginning everyone will meet new challenges and take on more responsibilities.

Faculty Profile

Teachers . . . you saw them for 180 days during the year, but did you really know them? For instance, did you realize that they averaged six years teaching in Delta and averaged nine years total teaching experience? Some were involved: 70 percent worked with activities, averaging one activity each, even if 69 percent were married and had their own family interests. Most teachers, 64 percent, grew up in Northwestern Ohio, while 12 percent grew up outside Ohio. 39 percent of the faculty lived in Delta, while 61 percent commuted here from other towns.

Student Life

Seniors Take Spirit Week Title

Even though Homecoming wasn't until the weekend, the students at DHS were already showing their support for their class on Monday, the first day of spirit week. This year, for each day of the week, something was planned in which the students would participate. It went as follows:

Monday — Flood Day (wear short pants)
Tuesday — Hat and Tie Day
Wednesday — Farmer or Jersey Day
Thursday — Shades and Shoes Day (wear bibs or suspenders)
Friday — Green and White Day

Each day the people from each class that participated were counted and those totals were added to the results of the hall decoration competition, and the pep assembly, which were held on Thursday and Friday respectively. The 1979-80 spirit week champions, the senior class, was awarded a trophy and the spirit stick. Taking second place was the Sophomore class, followed by the Juniors in third, and the Freshmen were fourth.

Queen Jill Reigns

With Spirit Week well underway and the game fast approaching, homecoming weekend was beginning. The annual bonfire was held on Thursday, October 20, the night before the game. Numerous spirited fans turned out to cheer for the Panthers in the snake dance around town. After the victory march the students followed the players, cheerleaders, and band to the fire, to hear a few words from the captains and coaches.

This enthusiasm carried over from Thursday night to Friday as the Panthers met the Swanton Bulldogs for the homecoming battle. Before the opening kickoff, the Queen and her court were escorted across the field by their fathers.

The team made the evening complete by defeating the previously unbeaten Bulldogs by a score of 16-0.

For the first time in several years, the dance was held in the gymnasium. As it proved successful last year, a disc jockey from 92.5 FM provided the music. The juniors decorated the gym to perfectly go with their theme of "Fall." The Queen and her Court were escorted again, only this time by their chosen escort. The Freshman attendant, Linda Alva was escorted by Junior Mike Demaline, and Sophomore attendant Cheryl Basich was escorted by Senior Tim Keller. Julie Ernst, one of the junior attendants was escorted by Senior Tim Basich, and the other junior attendant Pam Schaechterle chose senior Tim Warnke as her escort. One of our senior attendants Denise Putman chose senior Roger Garza as her escort, and the other senior attendant Ann Tuckerman was escorted by Senior Bret Dennis. Our 1979 Homecoming Queen was Jill Gerken. She was escorted by senior, Ed Walter, and was crowned by last year's queen Julie Noss.

First Play in Years Proves Great Success

On March 20 and 21, D.H.S. presented the first play to be performed in four years, under the direction of Mrs. Rollins. Entitled "Arsenic and Old Lace," the play was a romantic comedy about two spinsters, Abby and Martha Brewster, who poison lonely old men as a charity to society. They have three nephews: Mortimer, a dramatic critic, discovers his lovely aunt's habit and tries desperately to keep others from finding out; Teddy believes that he is Theodore Roosevelt; and Jonathan is a mass murderer who changes his face every time he kills off another person. He is assisted by his plastic surgeon, Dr. Einstein.

Members of the cast and crew were: Abby Brewster — Denise Putman; Mortimer Brewster — Rob Gilson; Martha Brewster — Toni Green; Jonathon Brewster — Steve Sherman; Dr. Einstein — Dawn Babcock; Teddy Brewster — Gary Downing; Elaine Harper (Mortimer's fiancé) — Julie Ernst; Rev. Harper (Elaine's father) — Mike Seigneur; Officer Klein — Chris Luehman; Officer Brophy — George Barnes; Officer O'Hara — Virgil Erwin; Lieutenant Rooney — Dave Gomez; Mr. Gibbs (a near victim) — Terry Greene; Mr. Witherspoon (a possible victim) — Bob Wade; Mr. Spenalzo and Mr. Hoskins (the dead bodies) — Don Finney and Brad Hildreth; Assistant directors — Alice Binkley, Alice Lambert, Beth Little, and Laura Fifer; Stage Manager — Dean Witt; Lights — Glen Tappan.

Over a hundred people helped with the production of the play, space does not allow the printing of all the names.

Send in the Clowns

This year, Speech Class II did something a little different. The students each dressed up as clowns and visited the Northcrest Nursing Home in Napoleon. The class participated in their Carnival Day where they performed several acts. This may become a tradition, as the clowns plan to entertain next year, also.

The Grand Illusion

For the first time since the high school was built, the Junior-Senior prom was held in the gymnasium. Another added attraction was the selection of Prom King and Queen. Cindy Tuckerman and Rob Gilson were chosen out of all the senior couples to reign over the festivities. Cindy received a crown and Rob was given a chain in honor of their selection.

The chosen theme was "The Grand Illusion" and the juniors decorated the room with colored lights, streamers, and various murals.

The Velvetones entertained the couples with several slow dances and a few square dances for the more energetic.

After the formal dance, everyone changed into their jeans and eagerly moved on to the Star Auto Theatre, in Wauseon, where "Hero at Large" was featured. Some watched the movie, while the "rowdies" held their celebrations outside of their cars.

Following the movie, the prom-goers were moved to the Wauseon Lanes where the students, faculty, and chaperones attempted to bowl.

A New Beginning . . .

Athletics

We've Got That Spirit . . . 79-80

This year's cheerleaders started their season in June, by going to practice twice a week, and raising money to go to camp. The camp was held at the University of Michigan in Ann Arbor, from July 19-22. All squads received awards for their performances including cheers, dances, and pom pom routines. Julie Ernst also advanced to the National Cheerleading competition for her solo in the talent category.

After coming back, preparation for the season ahead began. Signs were made and hung up for the first day of shool; work also began for homecoming.

Like last year the Freshmen cheered with the varsity and reserve at the bonfire and the homecoming game.

The cheerleaders also threw a small end of the season party as football ended with great success.

In basketball season, they were kept even busier by making signs and especially preparing for the Swanton game. Even cookies were baked and served to the players after every game. All in all the season was a great success.

The 1979 edition of the Panther football team proved to be one of the best in the school's history, with a fine 7-3 record. Many awards were accumulated by this senior dominated team, including a fine defense which recorded four shutouts. One of the highlights of the season had to be the homecoming victory over highly-regarded Swanton, by a score of 16-0. Although the seniors will be missed, the years to come continue to look bright with the sophomores and juniors.

Volleyball Team Looks Good for 80's

The Varsity volleyball team posted a record of 8 wins and 10 losses, while the reserve team posted a 7 win and 7 loss record.

The team was very young, made up of mostly sophomores; one junior and three seniors. Although the season was not considered a winning one, the group of inexperienced girls did considerably well. This young team looks very promising for the future. Good luck for the 1980 season!

Cross Country Team Builds for the Future

The 1979 Cross Country team finished with a 4 and 7 record and 7th in the league. Jim Beaverson was voted most valuable runner and Troy Deck most improved. Trisha Walters qualified for District and placed 47th.

Although the record was not very impressive, the team was made up of all underclassmen. Coach English feels that if everyone returns next year they will show much improvement in 1980.

Standing: Rod Kurfiss, Jim Beaverson, Pat Stanley.

The Panthers won the Fayette Invitational paced by Downing, Osterhout, Reynolds and Ward, with a combined score of 352 for 18 holes each. The same four placed 4th of 32 teams in the Clinton Invitational.

Jeff Osterhout, captain, was selected by teammates as the Most Valuable Player, and the Stanley Ciepiela Award.

Later in the season the team was plagued with bad luck, losing five games in a row to finish in the N.W.O.A.L. and 9-9 overall.

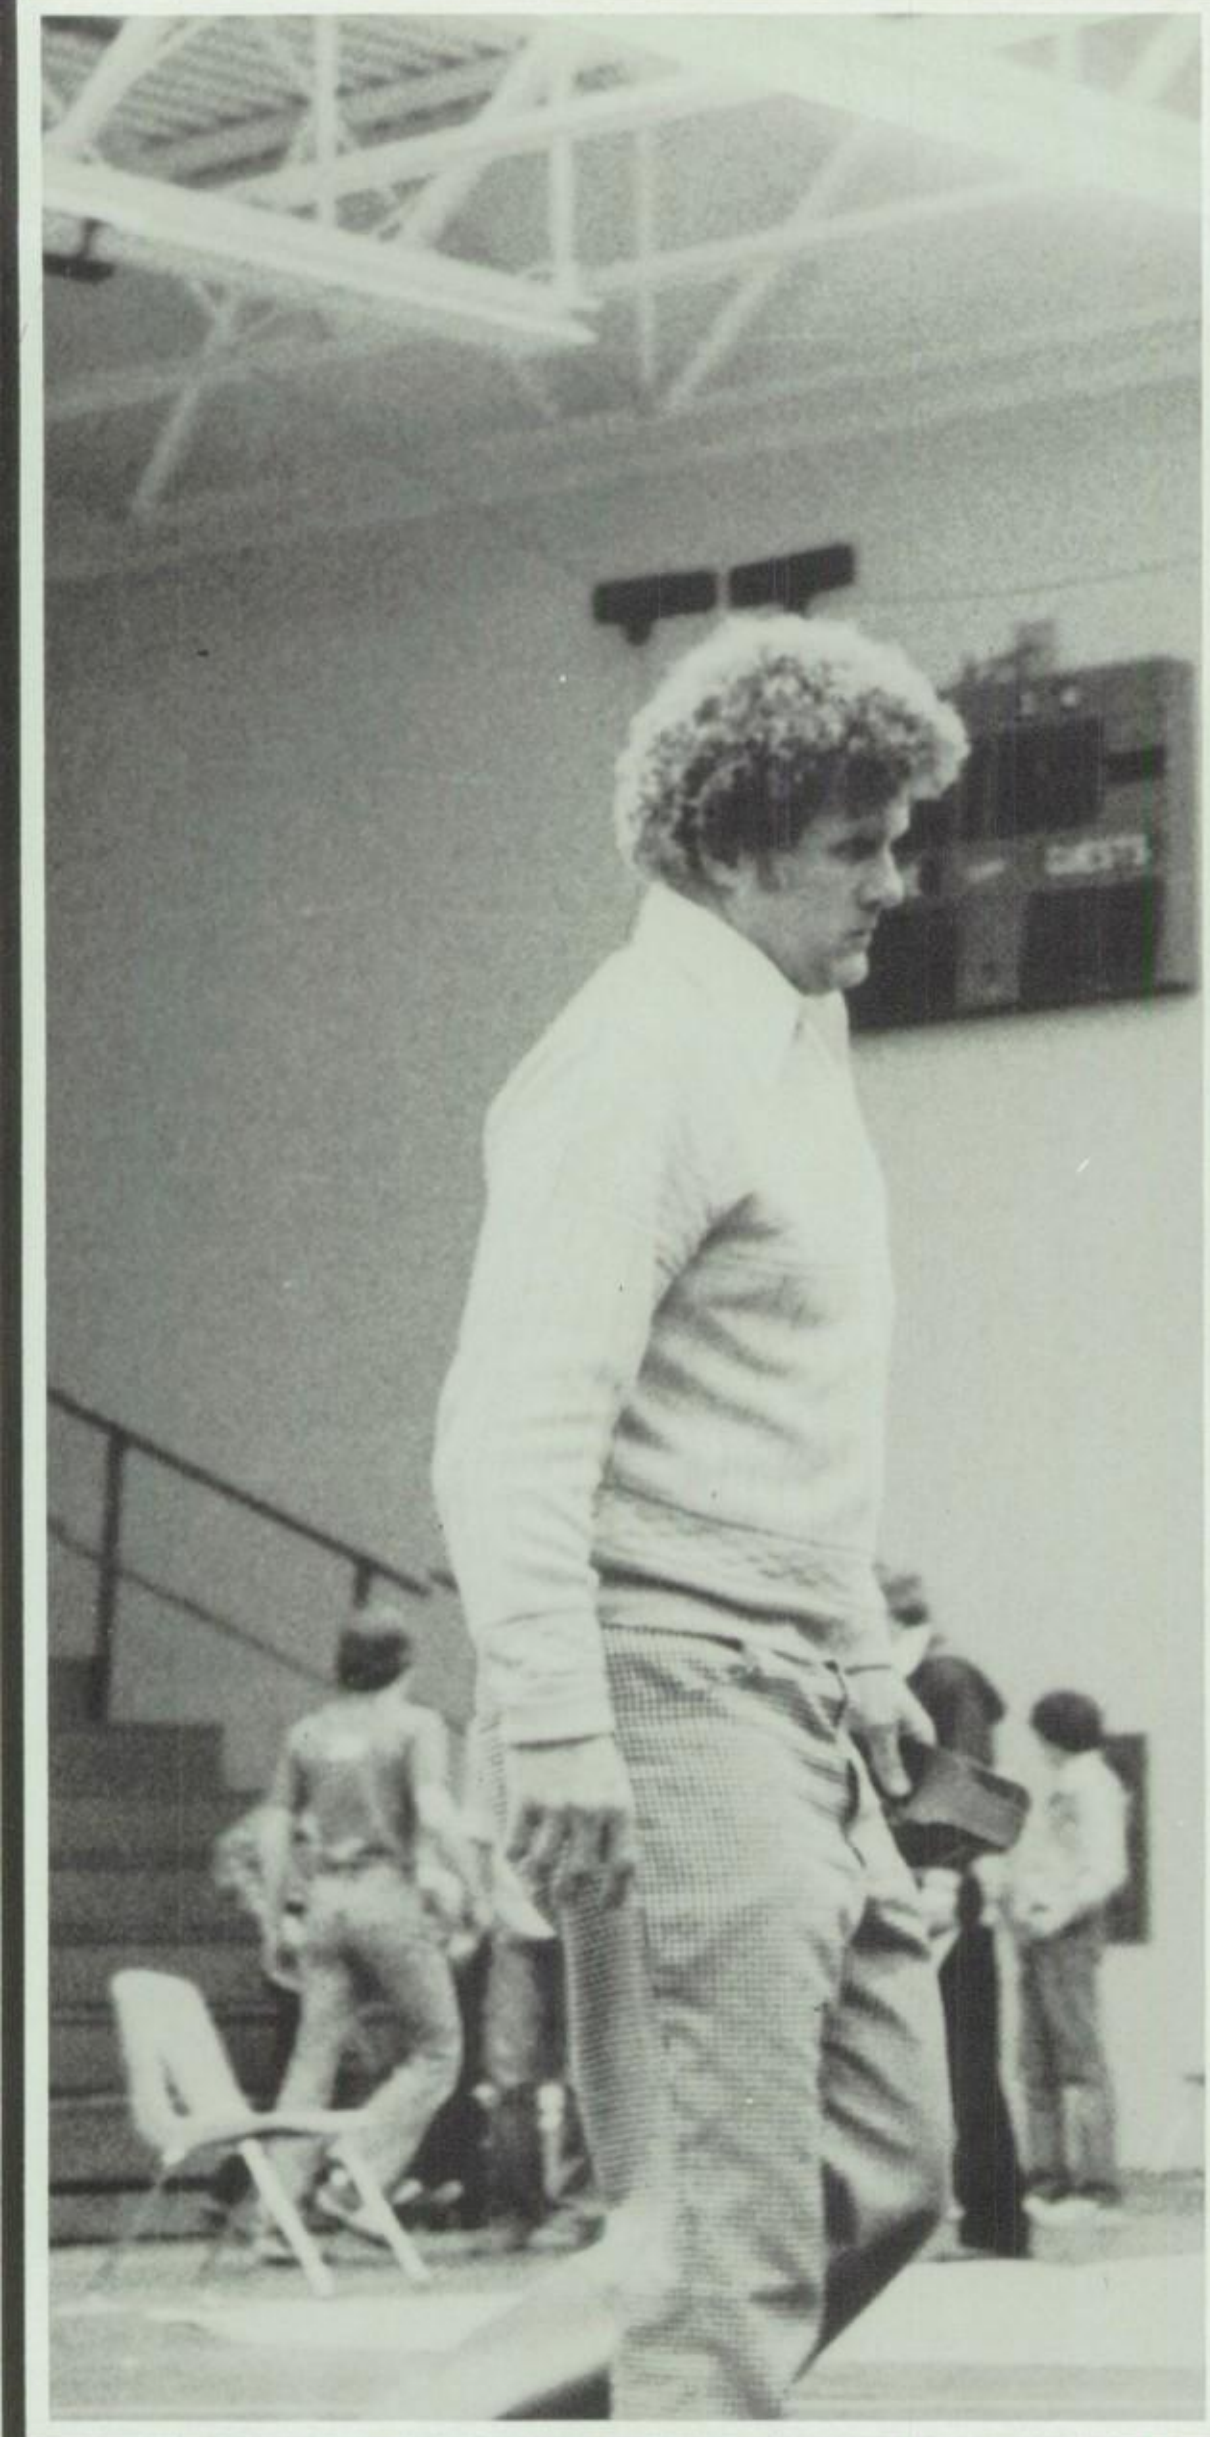
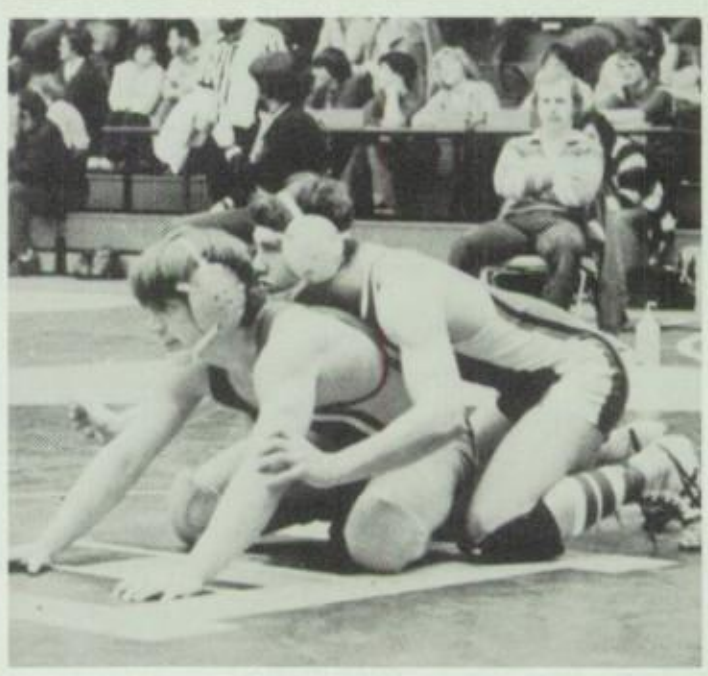
Wrestling Team Has Rebuilding Year





This year's wrestling team proved to be a rebuilding year. The overall team record was 3-7 with a 2-6 league record. The team placed 7th in the N.W.O.A.L. meet. The panthers were represented by four at the districts: Fred Baird — 98 lbs., Don Finney — 119 lbs., Jon Schmitz — 132 lbs., and Gary Downing — 167 lbs. There is much hope for the 1981 season, since so many underclassmen will be coming up.

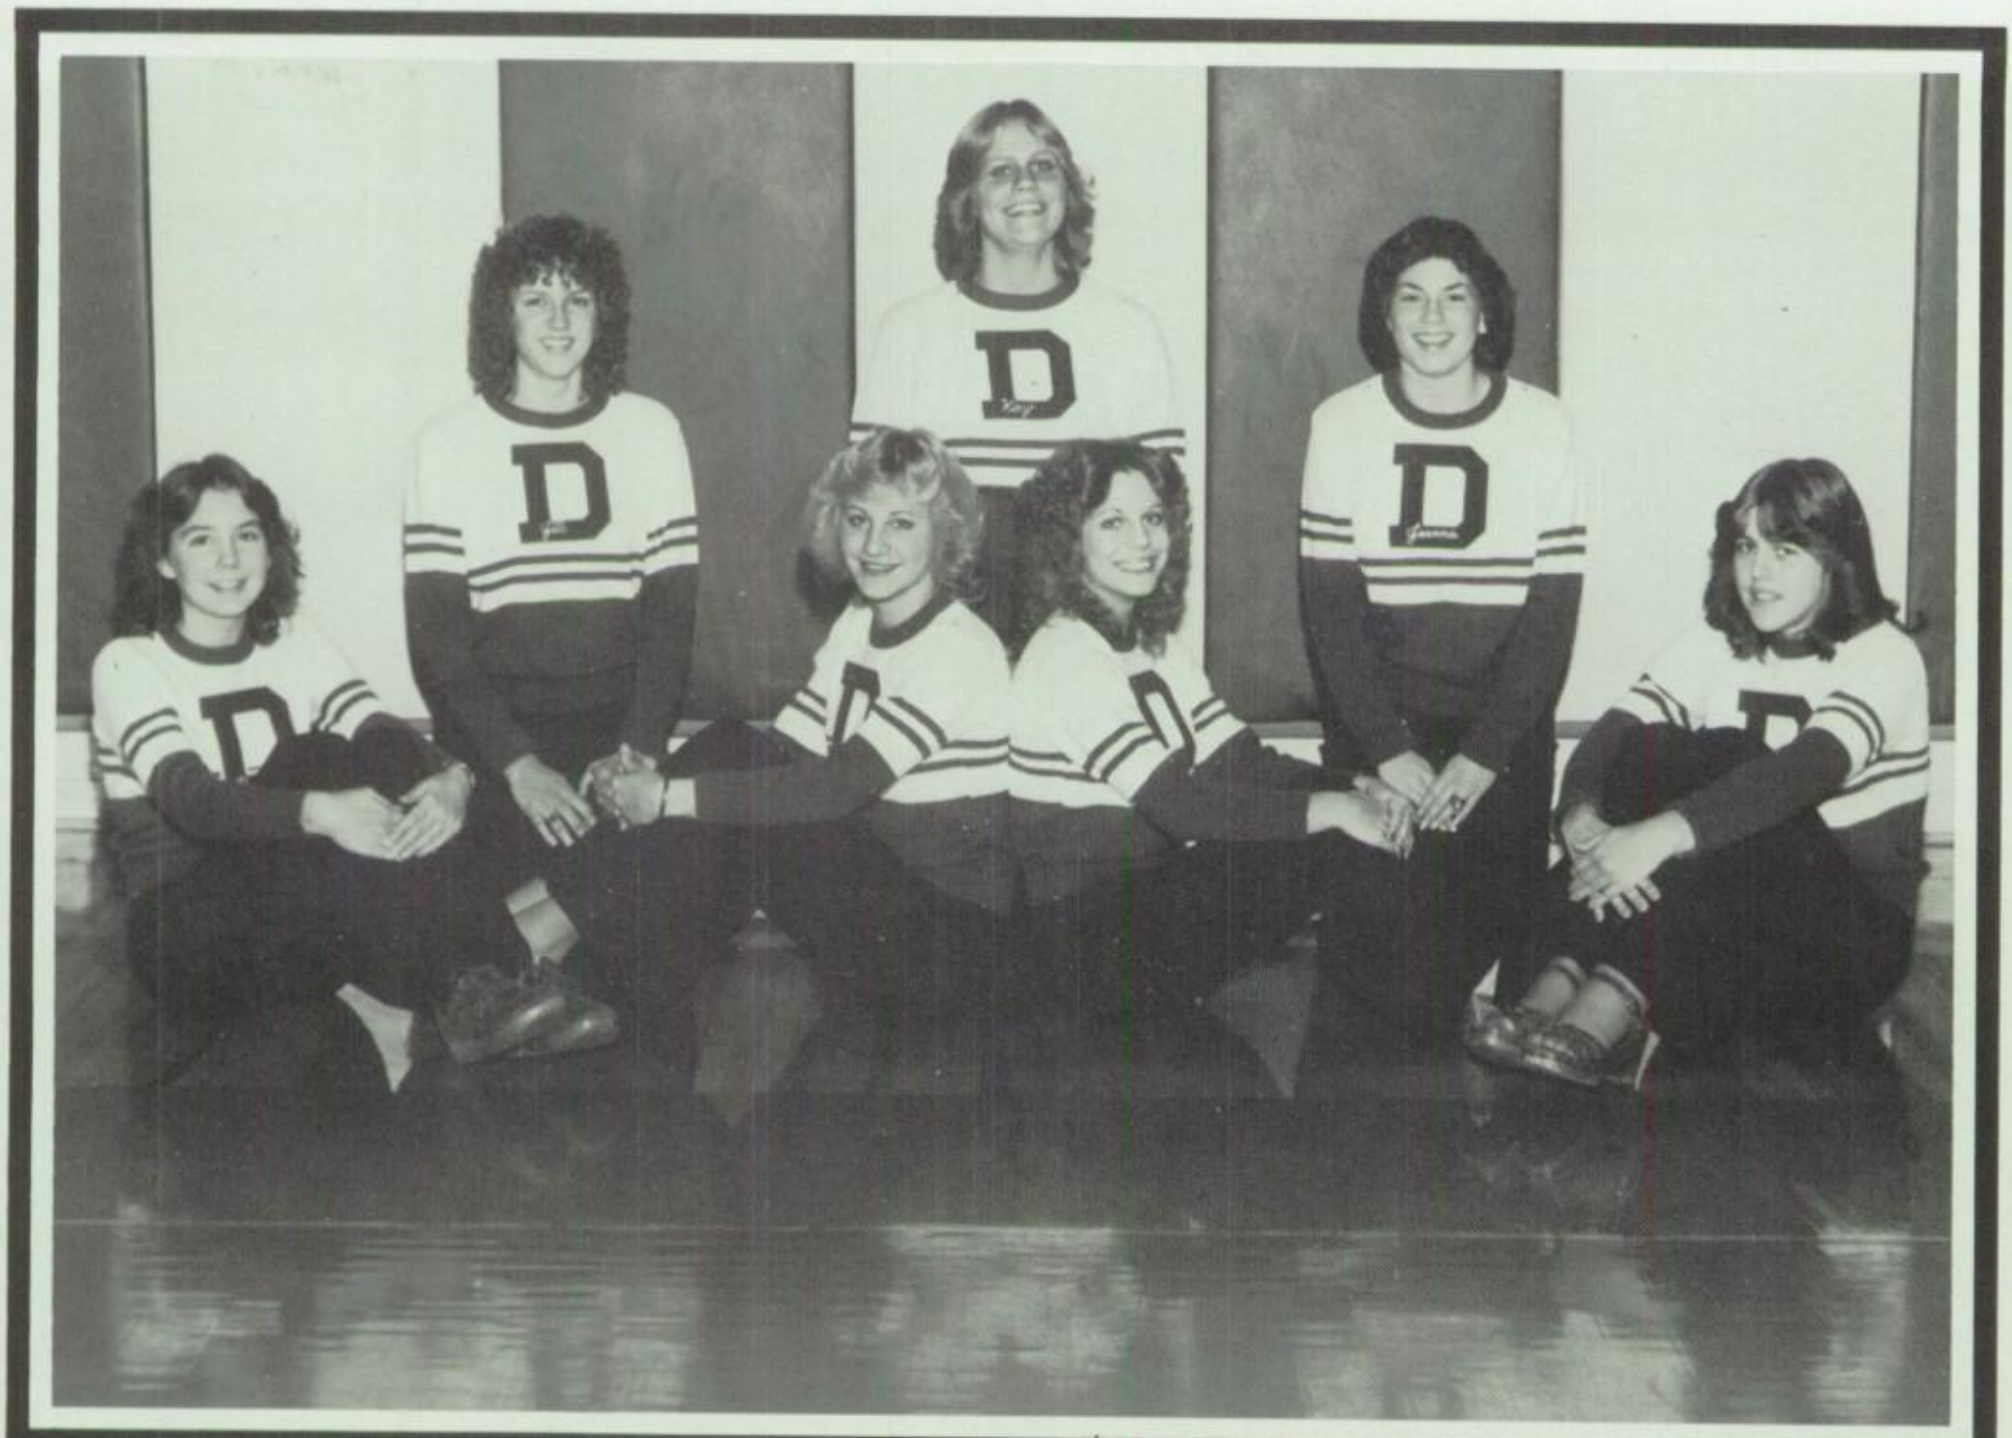
Matmaids: The Girls Behind the Wrestlers



Sitting: Paula Bauman, Brenda Dulile, Shari Langevin, Connie Downing. *Kneeling:* Jill Gerken, Kay Dove, Joanna Masales.

To the athletes and coaches, the matmaids are a vital part of the Wrestling program. Without the help of the girls in their Green and White sweaters, the team probably couldn't function. The girls help the team in several ways including: Keeping score, running time clocks, signaling referees, setting up for matches, keeping individual statistics, bringing cookies for the wrestlers and cheering for the team. The matmaids should be commended for a fine job.

Youth Show Promise for the Future

Varsity

Kneeling: Deb Lampson, Jill Spiess, Julie Roloff, Kim Bushman, Mickey Griffen. *Standing:* Julie Strayer, Lisa Carroll, Tracy Pyles, Liza Forshey, Pam Zenz, Chris Hardy.

This year's varsity team chalked up a 5-13 record and they hope to greatly improve that for the 80-81 season. This year three of the special awards were given to underclassmen, and the most valuable player, junior Kim Bushman, was the high league scorer, with 356 points. Combined with the top reserve players, the varsity should perform very well for next year's season.

The 1980 Panther Baseball team had a superb season. For the second year in a row the Panthers clinched the N.W.O.A.L. title, and they were undefeated in all league play this year.

The Panthers also won the sectional tournament defeating Perrysburg and Ostego, and went on to become district champions by defeating Genoa and Lakota. This qualified the Panthers to play in the regional tournament in Lima. Student body members traveled on a bus to cheer the Panthers on to their next big victory over Lima Bath. In the final game of regional play the Panthers were upset by Norwalk. This ended the season for the baseball team by making them regional runners-up in the state competition.

The championship team also took many individual league and district honors. Among these, Coach Rich Pivoriunas was named "District Coach of the Year," and Senior Ed Walters was picked to play in the state all-star game.

Delta Sends Runner to State Meet

This year's track team finished with a season record of 2-9. The team was led by Coach Keith Anderson. This year, Tim Basich placed in the sectionals in three events. They were the long jump, and the 100 and 200 meter dashes. He then went on to district competition where he placed 6th in the long jump, 1st in the 100 meter dash, and 2nd in the 200. Tim then went on to State, where he placed 6th in the 100, and earned the first points in the State meet since 1978.

The 1980 Del-Hi staff began work even before the school year started. Several staff members attended a workshop at Northwest Tech. and brought back many new ideas to use in the 1980 yearbook. Also, before school started, staff members sold advertising contracts in order to finance the publications of the Del-Hi.

Once school started, the staff began working on layouts, cover design, photo selection, and writing copy. New features of the 1980 edition are an index, and a consistent page design throughout the entire book.

Journalism Class Takes Over Publication of *Green and White*

For the first time in D.H.S. history the journalism class took over the publication of the Green and White. Journalism students did all of the writing for the paper, and the typing was done by the I.O.E. students. The change allowed the paper to be printed every two weeks rather than once a month.

The officers for the new year were: Bob Wade — President, Trisha Walter — Vice President, Robynn Gasche — Secretary, Tracy Pyles — Treasurer, and Cindy Pfund — Student Council Representative.

As in past years, the MEDS brought the Red Cross Blood mobile to the high school. Over 45 pints of blood were donated. Again it was a big success.

Later on in the year, a speaker from the fire department spoke on CPR and classes for CPR were sponsored by the MEDS.

Meetings were held during classtime, while students worked on balancing accounts, preparing financial statements, etc. Topics the club discussed were football, basketball, baseball, and any other topic that might interest the members as they worked on their accounting records. Membership was limited to accounting class members. Being an unofficial club, the group did not participate in extra-curricular activities, but they did show their group off when they recited a poem at the Christmas assembly.

Several improvements were also made during the season as the band increased from 50 to 60 members and the flag line was increased from 4 to 8 members.

Concert band started with a very successful Christmas concert. Several members also participated in the Solo and Ensemble contest in March.

PASS OR FAIL?

We're facing our greatest test... the Energy Test.

You can help.

In all that I've done and all that I've learned,
I've searched for a "ME" for others to see,
Upon looking up after three years gone by
I found another page of my life had turned.

The simple happenings of today
Will be great memories tomorrow,
And the fact that we can't do it again
Might bring us a bit of sorrow.

Yet the simple fact that we've lived life once,
Will let us think it is a success
And the years to come will prove to us
this year has been better than all the rest.
